REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the film wrapping device for wrapping a compressed bale which is comprised of pulling means, cutting means and rope forming means which forms a film rope by twisting the pulled film web distinguishes itself over the prior art of Springs, which does not disclose the forming of a film rope by twisting the film web.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
